Burgon Society On-line Bibliography

www.burgon.org.uk/society/library/biblio.html

The aim is to build up a comprehensive resource for those researching the design, history and practice of academical dress.

The Introduction is a brief survey of the key materials on academical dress that are either in print or available in the larger public and university libraries.

The Alphabetical list that follows is in-

tended to cover what has been published on the subject since the beginning of the nineteenth century; earlier items are listed if they include engravings that provide important evidence of robes of the period.

Suggestions for additions (or corrections) are welcome. Please send e-mails to: webmaster@burgon.org.uk.
