

NEUROSPORA BIBLIOGRAPHY

Every attempt has been made to insure that the citations appear exactly as they do in the original publication. Entries for which the original could not be obtained for verification are indicated by (-). Copies of the bibliography are available on computer discs (please indicate format needed) or by E mail. Please send a copy of your publication to the Stock Center. All additions and corrections should be brought to the attention of Dr. Joseph C. Schmit, Dept. of Medical Biochemistry, Southern Illinois University at Carbondale, Carbondale, Illinois 62901. (618) 453-6400 jschmit@som.siu.edu.
